

Brokerage Account Earnings Distribution Request Form

Customer Instructions, Terms and Conditions

The attached form should be used to request distributions of dividends, interest and/or capital gains ("earnings") from your non-retirement Brokerage Account ("account") or to change an existing earnings distribution plan. If you wish to request a distribution from more than one account, you must complete a separate form for each account.

Please read these Customer Instructions, Terms and Conditions carefully before completing the attached form. If you have any questions, please consult your Broker, Financial Advisor or Investment Professional ("investment representative").

- Write your account number in the boxes in the upper right-hand corner of the form.
- If changing/establishing an earnings distribution plan, please check the appropriate box.

1 Account Information Please complete this section as appropriate.

2 Earnings Distribution Instructions You may elect to have the earnings on certain mutual funds and/or eligible stock distributed to you based on the Dividends, Interest and Capital Gains Account Service Instructions ("Account Service Instructions") currently in effect for your account, or you may elect to change your Account Service Instructions to pay ALL mutual fund dividends and capital gains and ALL eligible stock dividends in cash to your account to be distributed to you. If you do not make a choice on the form, your earnings distributions will be paid to you based on the Account Service Instructions currently in effect for your account (option A).

- The earnings that are paid in cash and credited to your account will be distributed to you in accordance with the frequency and payment method that you select in Sections 3 and 4 respectively.
- If you acquire new positions in your account after you have established the earnings distribution plan, the earnings on those new positions will be paid in cash to your account and will be included in the earnings distribution plan unless or until new Account Service Instructions are established on your account by you or your Broker/Dealer.
- If you terminate your earnings distribution plan, your Account Service Instructions in effect at that time will remain in effect unless and until new instructions are established on your account by you or your Broker/Dealer.
- **The minimum earnings amount per check payment that can be distributed to you by check is \$25** If the earnings balance of your account is less than \$25 on any scheduled payment date and you have elected to have payments made by check (Section 4, options B or C), the earnings distribution will not be processed and any earnings will accrue in your account to be distributed at the next scheduled payment date on which the earnings balance is at least \$25. Note: There is no minimum earnings amount for payments that are distributed to another brokerage account or via Electronic Funds Transfer or Intra-Bank Payment (Section 4, options A, D and E).
- **The maximum earnings amount that can be distributed to another brokerage account is \$99,999.99** If the earnings balance of your account is greater than \$99,999.99 on any scheduled payment date and you have elected to have payments distributed to another brokerage account (Section 4, Option A), a distribution of only the maximum amount — \$99,999.99 — will be processed and the balance of the earnings will accrue in your account.
